Objective

Fourth-year Industrial Technology student majoring in Computer Technology at Bulacan State University, seeking a 600-hour OJT placement near Malolos in UI/UX design, front-end web development or IT support. I bring hands-on hardware and network troubleshooting, Figma interface design, and a web application I built and deployed on my own.

Education

2023 – Present (expected 2027)
Industrial Technology major in Computer Technology
Bulacan State University – College of Industrial Technology

2021 – 2023
Senior High School, TVL – Computer Servicing
La Consolacion University Philippines

2013 – 2020
Primary Education
Barasoain Memorial Integrated School

Award

S.Y. 2022 – 2023
Academic Achiever, TVL – Computer Servicing

Projects

HR Recruitment System – Developer (solo build)
- Web app that parses résumés, screens applicants with AI help, generates job ads and exports qualified applicants to Excel.
- Live: hr-system-lv17.vercel.app | Code: github.com/lichking1124-byte/hr_system

BulSU HEIMS Redesign – UI/UX Designer (Jul–Aug 2026)
- Redesigned the student portal layout, navigation and visual hierarchy, and prototyped it in Figma.

Experience

March 2023 – Work Immersion, MIS Office
La Consolacion University Philippines
- Diagnosed and troubleshot hardware and software issues; ran routine maintenance and system updates.
- Set up computer networks and gave in-person and remote technical support to end users.

July 2024 – October 2024
Customer Service Representative, Victra Mind Dragon
- Handled 200+ calls per day, resolving billing and technical concerns while meeting call-handling targets.
